

Your involvement in all of the events is **CRITICAL**. However, fundraising through concession offers the best and most lucrative opportunity to help raise money and potentially pay down your students' band fees. Last year, over **\$35,000** was raised as contributions to the overall general marching band fund and to pay down student fees. There is no better way to get to know your fellow marching bandies than by selling brats and beer to hungry Crew.. Due to a change in policy all volunteers at Crew must now be 18 or older, however students over 16 can work at select events. For more information or questions regarding volunteering for the Crew Stadium contact, Crew Volunteer Coordinator.
