

Westerville North Marching Band Marching Band Mom Memo

January 9, 2016

Attention Seniors and their parents-

Each year the Music Boosters proudly awards two \$500 scholarships. One is for an a student pursuing a career in music; the other is for anyone who has benefitted from participation in the music program. Although it may not seem like much when faced with the incredible cost of college, trust me every little bit helps ☺

The scholarship deadline is fast approaching- January 16th Applications are available in the Guidance office

Best Regards-
Tiffany
